Easements

Documentation that drainage and flowage easements over all land and facilities below the 100-year flood elevation, if required by the municipality with jurisdiction, have been conveyed and recorded (For public entities, this requirement may be satisfied by a written agreement executed with the District in lieu of a recorded document. The agreement must state that, if the land within the 100-year floodplain is conveyed, the public body will require the buyer to comply with this subsection.)
