Lower Minnesota River Watershed District Board of Managers Meeting
Wednesday September 18, 2019

Agenda Item

Item 6. H. - 2020 Legislative Agenda

Prepared By

Linda Loomis, Administrator

Summary

The Legislative session will begin February 11, 2020. One item that will be a priority for the LMRWD is to get funding to replace the grant for Seminary Fen. Another priority is the cleanup of the Freeway Landfill. At the July meeting the Board authorized staff to prepare a letter to be sent to the MPCA asking for an explanation as to why the MPCA has not taken definitive action to clean up the Landfill.

Support for the work that Scott Sparlin is doing is also on the list. The Board adopted resolution 19-08 to support additional water storage in the MN River Basin.

If there are other items the Board would like to make a priority they should let staff know. Lisa Frenette is planning to attend the Board meeting.
