

# LOWER MINNESOTA RIVER WATERSHED DISTRICT

## Executive Summary for Action

Lower Minnesota River Watershed District Board of Managers Meeting  
Wednesday, May 16, 2018

### **Agenda Item**

#### **Item 6. C. - MAWD Summer Tour**

### **Prepared By**

Linda Loomis, Administrator

### **Summary**

MAWD's Summer Tour will feature the Minnesota River and the Southwest Metro Area. LMRWD and RPBCWD are working with MAWD to plan the tour and one feature of the event will be a tour of the Minnesota River on Wednesday evening. LMRWD and RPBCWD wanted to invite local leaders and legislators to the tour. MAWD wanted to charge all participants including the local leaders and legislators. RPBCWD and the LMRWD did not want to charge legislators and local leaders as we thought it was unlikely they would come if we charged them for participation.

The arrangement that we agreed to was that the LMRWD would host the Minnesota River Tour and MAWD would be a co-sponsor, along with RPBCWD and Nine Mile Creek Watershed District (NMCWD). RPBCWD would host the Thursday bus tour and MAWD, NMCWD, LMRWD and Carver County WMO would co-sponsor. RPBCWD, LMRWD, NMCWD and MAWD would host the Friday morning training session. There is a possibility that the Metro Area Soil & Water Conservation Districts and the St. Paul Port Authority will also become sponsors.

All MAWD participants will pay the registration fee to MAWD and then provide funding to each event as its sponsorship contribution.
